REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The students of Sullivan Middle school continue to grow academically. We have continued our focus on the implementation of the I.B. Middle Years Programme and school wide literacy. We feel these two are crucial in our efforts to prepare our kids to excel in high school and then in post-secondary education. We are committed to providing our students with a broad range of experiences during their middle school experience.

Over the last few years we have added many clubs and classes for our students. A sampling of the courses include Chinese language, Chinese culture, Astronomy, Computer Science/Coding, Media Literacy, Computer Graphics and more. We have added a community/parent funded baseball and soccer program. This is in addition to the many clubs and school sports we have always offered to our students. We know education is much more than test scores and we want to make sure our students feel connected to their school.

We received the “All-Star” award once again for parent/community communication. We reach our parents in a variety of ways including a school blog, school app, various social media accounts and more. We work hard to make sure the public knows about the great things happening in public schools.

We continued our 100% free after school and summer program. This serves about 150 students and provides additional targeted instruction after school each day and during the summer. Our MAPS scores show continued growth. We are proud of our academic success over the last several years. Our principal was also named the 2014 Middle Level Principal of the Year for South Carolina. We are so proud to serve the Rock Hill community and look forward to continued excellence!
